PORN SEX IS AMAZING!

49-year-old Janice Preston is making a fortune as a part-time porn star and the sex is amazing too.

Until May 2007 Janice Preston was just another divorcee struggling to make ends meet and to get from one day to the next without giving up in the sheer despair of being middle aged and all alone. 'My husband walked out on me in 2003 without any warning saying he needed some space. What he actually wanted was some space to shag a 19-year-old who had turned his head at work!

The thing that makes all this worse for Janice is the fact that her husband is still with his new lover four-years on and they seem blissfully happy. Things got so bad at one point that I even contemplated taking some pills to end it all. Then a young man called Terry who lives in the house next door to me asked me in for a cup of tea and made me a proposition.

He asked me if I would be prepared to have sex with him on film for £1,500 cash! I suppose I should have been shocked really but surprisingly I wasn't. He was a very attractive lad of 23 and of course I would be honoured to have sex with such a beautiful young man. The £1,500 was very tempting too so in a

moment of complete madness I swallowed hard and said 'yes!'

Two days later I was back at Terry's house getting ready for my first porn sequence. Terry introduced me to the cameraman Nick and the sound guy Trevor. I hadn't expected there to be such an audience. Terry was really sweet and began kissing me very gently. He slowly undressed me and I have to admit I was getting really turned on. His fingers slipped inside my panties and he started rubbing a spot inside me that really got me going.

By the time I had my second orgasm I was so ready for Terry's cock. I begged him to fuck me before I lost the moment. He obliged and plunged his cock deep inside me and I felt the wind blown out of my lungs by the sheer force of his cock. Then he started banging into me really hard so his balls were banging against the outer lips of my pussy. I felt myself want to come again and I knew that I was squirting a huge shower of cum all over Terry

'Have you ever tried anal sex' he whispered. I said no and he turned me round and bent me over this armchair. He lost no time in lubricating my arse with a large amount of KY-Jelly before pushing his cock into me really hard. At first it was real agony and I wanted to scream out loud but eventually it settled down and I started to get a series of multiple orgasms the like of which was a completely new experience for me. I loved it and I didn't want him to stop.

I lost count of the number of orgasms I had and by the time Terry had finished with me three hours had passed and I was a little light headed. Michael thanked me for my performance saying it was so good he would want to use me again. I was paid the £1,500 in cash, which was a fantastic rate for three-hours work. Since then I have done two more films for Michael and I have three more in the pipeline. I'm off to the Czech Republic next month and then to the Germany. This has given me a new lease of life and I am having a wonderful time. I would recommend this to anyone.

MARION BAILEY

Marion misses her husband steve but misses sex more.'The worst thing about losing my husband was missing out on a lot of sex. We had a very active sex life and I get so horny now that i'm on my own. Would any of your readers like to give me what i'm missing?'

THANK YOU VERYMUCH!

Sue Taylor a 46-year-old divorcee couldn't believe her luck when we sent Peter Jenkins round to sort her out.

Sue Taylor hasn't had sex since 1980 just before her husband left her for her best friend. 'I was so heartbroken by everything that it was years before I could do anything without bursting into tears. Losing a husband was bad enough but losing to my best friend was a double body blow. It's all water under the bridge now but it affects your life and expectations

You will understand my excitement when I got this phone call from your offices asking if I was interested in meeting an old friend of the magazine called Peter Jenkins. At first I wasn't sure and I was tempted to call you and cancel the whole thing. Fortunately, common sense prevailed and I agreed to let him come round. Oh I am so glad I did because he turned out to be really lovely. It has been a long time since a guy slipped his fingers into my knickers while distracting me by snogging.

I think my biggest praise for Peter was the way he turned foreplay into a sexual feast in its own right. I came inside my panties all over his fingers. I was quite embarrassed but he really loved it and licked all my cum off his fingers. He let me have a little lick and I must admit that I tasted delicious. I'm not even sure that a woman in her sixties should feel this horny but I couldn't help it. I wanted Peter so much that I started begging him to fuck me. He certainly obliged and I felt his hard cock slip into me.

I don't have a lot of experience when it comes to sex but I do know a huge cock when I see

one and as I opened Peter's shorts I found myself staring at a very big one. As he pumped in and out of me without missing a beat I started to feel really light-headed. I loved it when James suddenly pulled his cock out of me and started licking my pussy. This caused an unscheduled double orgasm.

By the time James shot his load into my pussy I had already had four huge orgasms and his last powerful thrusts as his jizz shot into my pussy gave me the mother of all orgasms. If I could have climbed the ceiling I would have. It was absolutely amazing and I think I'm hopelessly in love with Peter. Sadly he is not available and so for him this was sadly a one-off. Hopefully somebody reading this will want to take his place. Well now that I have experienced multiple orgasms because I am so going to want some more.'

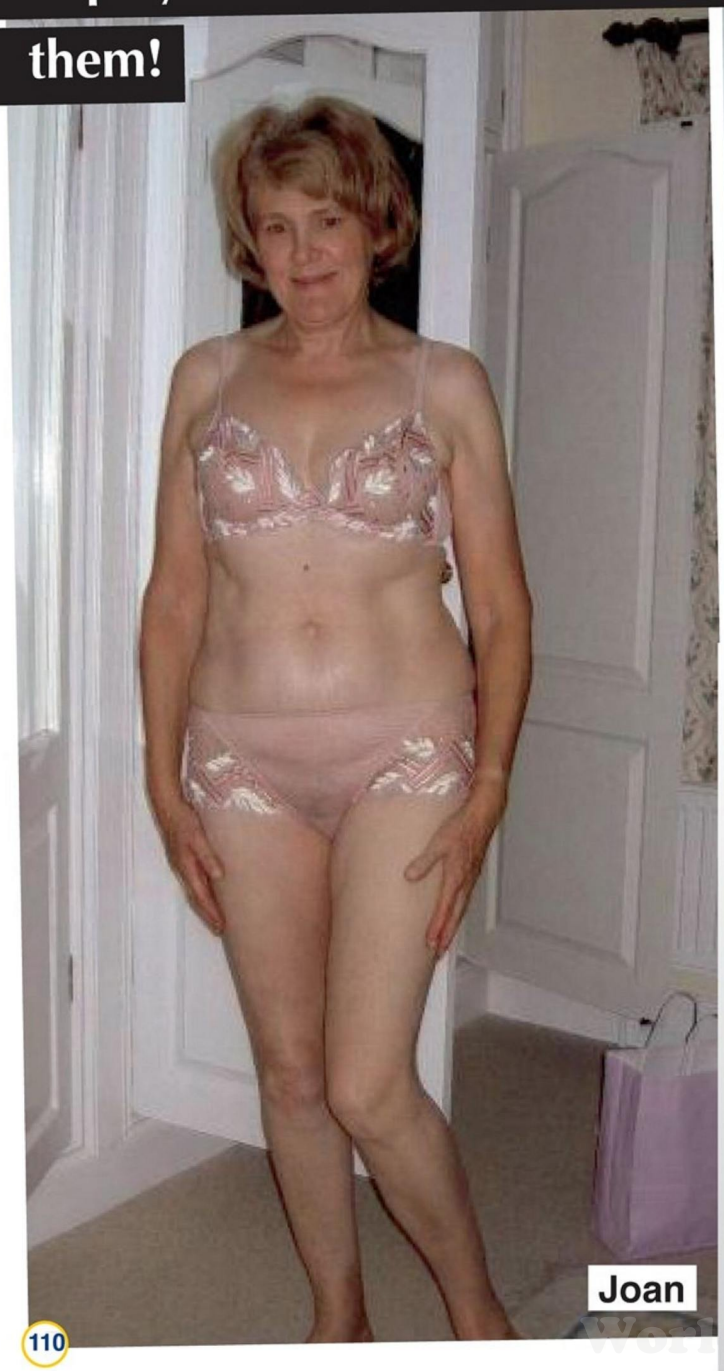
ERIN NORSE

Erin a 46-year-old divorcee says her husband was useless in bed. 'I think I need a younger model who knows how to give a woman an orgasm. In fact I don't think I have ever had an orgasm in the true sense. My friends all have them so why can't I? Please get in touch if you can help.'

LOOKING FOR LOVE!

Six forty something's who are looking for romance tell us their story in the hope you'll be interested in meeting them!



Joan

Sue

Cath

Joan: 'I'm 46-years-old and I have been on my own fort twelve-years. I've tried all the established dating formats but they only produce the same old bunch of sad perverts and losers. I'm desperate to find love again after my divorce. I'm not looking for Brad Pitt, just a nice kind caring man who isn't bothered about age.'

Cath: 'Since I got divorced six-years ago nobody has asked me out or even acknowledged that I exist. I know that at 43 I'm not exactly at the forefront of dating circles but I think I'm too young to accept that I'll never have sex again. I was too shy to strip off for this picture but I hope that you'll get the idea.'

Sue: 'I think if I was younger I wouldn't have to consider this but as you get older the opportunities to meet new people seem to dry up and you end up all alone and a bit sad. I get very horny these days so and at one particularly low point I was toying with the idea of paying for sex. I just couldn't be bothered to go through all that silly dating nonsense. It would be so much easier to just give a credit card number and get exactly what you want. I don't feel like that now but it shows how low you can get sometimes'

Amanda: 'I am so looking for romance its not funny. Can I find somebody? Well it appears not to be the case. All my divorced friends are all considering paying for sex. There was a time when you could always get a man to have sex with you but not anymore. They have too many opportunities to have sex with young girls that they are not going to bother with women over forty are they?

Janet: 'I last had a relationship was in 1990, which is a long time ago. Since then I've been looking for somebody to share my life again but no opportunity has presented itself. I don't think that I am bad for my age but obviously this view is probably not shared by other people. I love to go to a nudist beach quite near my home but even there I don't get any offers.'

Sharon: 'I have been on my own for quite a few years and I am really quite lonely. I told a friend that I was going to get a toy boy lover she just laughed and said 'yeah right like that will happen!' I think she is right but I am not prepared to give up on this. When I saw your magazine I thought that just maybe this is the answer I am looking for.'

Contact: You may write to these ladies by sending a letter addressed to them via this magazine. We pass on all letters daily. Please ensure that you have enclosed the correct postage costs. The responsibility for replying to your letters rests solely with the eventual recipient over whom we have no control.
